LASER CUT & CNC STUDIO | NGAU TAU KOK

# INTRODUCTION

We aim to integrate handcraft and machine-work. Big or small, Hack Piece will materialize your ideas with laser cutting and CNC.

Himhimhim is a technician and Ha is a designer.

In 2016, we formed Hace Piece Studio. Like everyone, we spend many of our waking hours at work - in Hack Piece, we come across fun and passion into our everyday work.

## Members

Himhimhim - Laser cut technician; Audio and lighting technician as well. Full of weird ideas. Mankind dress up with wildness mind, believe in internet.

Leung Ha - Designer of Hack Piece Studio; Graphic designer in art direction, brand design and illustration, freelancing when something interesting comes along.

Mui - Junior.
